POWELL A. LAYTON
PRINCIPAL
BELCHER HIGH SCHOOL
BELCHER, LOUISIANA

Dear Students:

I take this opportunity to congratulate you on the task of publishing an annual.

It has been a trying experience and I have watched you perform it as only a student could who possess that cooperative spirit which prevails in Belcher Schools.

In the future there will be more annuals; more students to publish it; more friends and acquaintances made; more ideas carried out; more opinions voiced; and most of all, another chapter in democratic education complete.

Congratulations again for a job well done.

Yours truly,

P. A. Layton
